

2020 Civic League Membership and Neighborhood Watch Information

A **NEW** and **IMPROVED** Directory is being published.

Please promptly complete the form and return it with your dues payment

In this digital age it is apparent our neighborhood directory needs to change with the times. Now each household can submit two phone numbers. The Directory will also identify those phone numbers by resident name and if it is a Cell or Landline Number. That way your neighbors know if they can just send you a quick text about something instead of calling.

If your number is not currently in the directory please consider putting it in. It is the neighborly thing to do. It is part of what makes our neighborhood home, neighbors knowing each other and being able to reach out for any reason, like

- You left your garage door open.
- I just saw your dog running down the road.
- A package of yours was delivered to my house.
- Your trash cans were in the road. I put them up for you.
- And many other ways neighbors look out for each other.

The directory is for the use of neighbor to neighbor communication only. Not for any commercial use.
